

## THE FIRST CRUSADE

# ROADMAP

### PHASE 1: THE NEKO ZAMURAI

7,777 Nekos have been enlisted to prepare for the Metaverse conquest. With many battles ahead, each Neko comes with different powers and characteristics creating a diverse army. A few special Neko warriors have also appeared from different dimensions.

### PHASE 2: THE HOLDERS CLAN + NEKO TREASURY

A Holders clan/section will be opened. Exclusive giveaways, exclusive contests with prizes, collaborations with other projects to provide whitelist spots to our holders + much much more. A NEKO Treasury wallet will be created to fund all of our holder giveaways, contests and marketing.

### PHASE 3: FREE NEZUMI ZAMURAI AIRDROP TO HOLDERS

The destined war against the Nezumi (mice) is about to begin. Each Neko holder will receive a free airdrop of a Nezumi Zamurai.

### PHASE 4: MERCHANDISE

A full merchandise collection including accessories will be available to all holders. The more Nekos you hold the more merch you can receive. All merch will be free including clothing, keychains, stickers, phone cases + more.

## THE SECOND CRUSADE

### PHASE 1: THE INU ZAMURAI ARRIVE

The Neko's true rival army has arrived. A second collection of 7,777 Inu (dog) Samurais will be available for mint. 50% of whitelist will be allocated to holders with the other 50% going to the public.

### PHASE 2: OFFICIAL CARTOON SERIES

Although not confirmed, we hope to create the first ever cartoon series which feature NFT's as characters. We have already started talking to animation companies and hope to confirm a deal soon! More information will be posted as we progress.
